PROVIDE DRIVERS WITH INTERNATIONAL<sup>®</sup> EBS<sup>®</sup> (EMERGENCY BREAKDOWN SERVICE)

## THE MOST POWERFUL CARD IN THE BUSINESS

Do you have a fleet always on the go? Do you purchase parts and service through multiple locations? Does your fleet travel across a widely dispersed area?

With International® Fleet Charge®, you get all the features you need to manage your fleet with greater ease, speed and agility. Whether your drivers need parts, fuel or service, Fleet Charge is there and is backed by the largest truck dealer network in the industry – International.

*"As a large fleet manager, I can't afford to wait for invoices from our drivers. Fleet Charge® handles all the details and sorts out everything in one, bi-weekly statement that goes to the locations we specify."*

## THE POWER TO PURCHASE PARTS AND SERVICE

International® Fleet Charge® is a powerful tool that helps you track and control expenses, and better manage your fleet's parts and service needs. Now it's easier to keep your trucks on the road and profits in your pocket.

- Quality parts, superior service
- Simplified billing
- Custom tailored to your purchasing needs
- Total control over expenditures
- Parts and service for All-Makes of trucks
- Nearly 1,000 locations across the U.S., Canada, Puerto Rico and Mexico
- No enrollment fees or hidden costs

### **NEED FAST SERVICE? NO PROBLEM.**

When you identify Fleet Charge as your method of payment:

- Credit authorization is immediately confirmed
- Your account profile controls purchases
- Services completed by the largest dealer network in the industry
- Purchases are billed to your Fleet Charge account
- You leave satisfied

*"We use the Fleet Charge® program because it gives us the power to better manage our fleets by receiving consolidated billing. In addition, Fleet Charge verifies the price of each part before we receive our statement. Now, that's an awesome feature."*

## THE POWER TO CONTROL PRICING

### **PUT YOURSELF IN CHARGE OF YOUR FLEET EXPENDITURES THE EASY WAY.**

- Guaranteed consistent parts pricing across the International® Fleet Charge® network
- Every International® part number is audited and adjusted (if needed)
- Card identifies you and your purchase requirements
- Customer-defined control elements (P.O. numbers, unit numbers, etc.)
- Credit limit (we work with you to establish your credit limit)
- Bi-weekly billing statements with itemized purchases are available by e-mail or at [fleetcharge.com](http://fleetcharge.com)
- Electronic invoicing capability available (EDI)
- Invoice-level detail supplied with statements
- Bi-weekly memo statements can be sent to each of your locations documenting only that location's purchases

*"The program is a time and cost saver. Now to get that clutch repaired in Pennsylvania and that transmission fixed in California, all you have to do is make one payment. It costs money to manage vendors and create checks. If we can reduce the number of vendors we're paying, we're going to reduce our operating costs."*

## THE POWER TO PROVIDE DRIVERS WITH INTERNATIONAL® EBS® (EMERGENCY BREAKDOWN SERVICE)

**EBS®**, an exclusive optional service through the International® Fleet Charge® program, helps you and your drivers take control of uncontrollable situations. EBS provides you with:

- Roadside assistance 24 hours a day, 7 days a week
- Control of each breakdown according to your specifications
- Roadside repairs (when possible, saves the cost of a tow)
- Arranged towing, if required
- Automatic billing to your Fleet Charge account eliminating the need for setting up open accounts, wiring funds or securing credit
- No annual dues or enrollment fees; nominal administration fee per incident
- Service at nearly 1,000 International® dealer locations and over 35,000 service providers

*"I do a lot of long distance hauling and it's a real comfort to know I can use EBS® for emergencies whether I'm travelling in Canada or the States."*
